Oluwabamise Shogbesan

Software Engineering

💼 Work History

2024-04 - 2024-06

Junior Software Developer

Nexus Data Intelligence, Ibadan

- As part of internship in a company called Nexus Data Intelligence, I worked on the frontend for a Progressive Web App (PWA) majorly for Healthcare sector along side the main development team
- The continued use of features such as a patient dashboard, scheduling appointments, access to lab records, and managing patient records made this PWA unique.
